### CAREER SKILLS WORKSHOP

Getting the right career can be the hardest job a person will ever have. Formulating decisions about the future isn't easy. Wrong career decisions can have lasting consequences. Decision making based on incomplete data can be like wrestling alligators!

Attending the two day *Veterans' Career Skills Workshop* gives you the benefit of knowledge, and awareness of your own unique personality assets. The workshop provides important new skills that can assist in your transition from military to civilian life and rewarding career opportunities.

Because successful journeys require good planning the Career Skills Workshop includes developing a Career Action Plan.. Career journeys can include many important milestones like, attending college courses, earning college degrees, enhancing business skills, taking vocational training or developing individual talents, so you will need a good plan.

If you are currently employed, this program will still give you valuable information, and new skills for improving your present career. This workshop fills fast. Don't let this valuable opportunity slip by.

Your attendance in the *no cost* Career Skills Workshop can help you secure a career future today! Return the enclosed registration form now!

### VETERAN'S JOB FAIR

On Friday, April 14, from 9:00 a.m. to 3:00 p.m. at the McCoy Center, 8503 Daetwyler Dr., Valencia Community College and the Military Transition Program are sponsoring a Job Fair. Representatives from local and national companies with active job openings will be on hand to receive resumes and conduct preliminary interviews. All veterans are invited to participate. Return the enclosed sign up card A.S.A.P. to be included in this great event.

### COME SEE THE FUTURE

On Wednesday, April 19, Bob Barner, a leading expert in career development will lead a seminar on "SUCCESSFUL CAREER TRANSITIONS" especially for veterans. Mr. Barner, career consultant, and author has provided consultation and training for many national companies. His books, articles, presentations and keynote speeches on leadership, employee empowerment, career development and continuous improvement are recognized and acclaimed nationally and internationally.

The seminar on April 19, from 9:00 a.m. to 11:00 a.m. is for military personnel who are making the transition from the military to the civilian work force as job seekers. Outlined are some of the major changes occurring in today's workplace and the success principles you can use to successfully meet these challenges.

In-class exercises to help strengthen your skills as a career strategist are included in this half day seminar. Participants learn how to uncover career opportunities through diversified networking and how to identify portable skills. The program is provided to veterans at no cost.

Take control of your own future and join us for this unique event on April 19. Due to the popularity of this session advance reservation is required. Call 855-9989 to reserve your seat, now! Don't miss out, do it today!

### JOB HUNTING WORKSHOPS
